  - Students will sing the a cappella piece ("America") in the appropriate key.
  - Students will sing their own voice part of the audition piece as listed below.
  - Students will be asked to demonstrate 1 example of tonal memory and 1 example of sight reading. Each example will be 4 measures in length. The sight-reading may include steps, thirds, leaps. When sight reading, students may use solfege if they desire, but it is not necessary to do so.
